

No Hassle Summer Storage at The UPS Store

2012 marks our 8th year of No Hassle Storage at The UPS Store. It is a program designed by The UPS Store to make your life easier. We will deliver the boxes, tape and labels to you for packing. Then we will return at a designated time, come to your room to get your storage items, and store it for you.

How it works

In the Pickup Section of the registration form, you will see links to the pickup schedules for the on campus residence halls. If you live on campus, the registration process will direct you to one of the published pick up times. The week of finals, we will have two times each day when we will be at your residence hall. It is important that you sign up for a specific time. Otherwise we will not have you on our pickup schedule. Pick the time slot that works best for you.

Once you have signed up, we will put you on the materials delivery schedule. Due to a change in FSU Housing policy, we can no longer deliver boxes to all residence halls. We will have a truck at each residence hall complex (area) twice, once in the morning and once in the afternoon. With those dorms where we can make deliveries, you will receive your box delivery on Sunday afternoon. If you miss the box delivery, you will need to come to the Oglesby Union Store to get your boxes. Once you have your boxes, all you have to do is pack and be ready for pickup during your designated time.

Important program change: We will not deliver storage boxes and tape the week of pickups. Therefore, it is important to sign up early. Not only will this guarantee you space, but it will also put you on the box delivery schedule.

Delivery

Normally, most students do not know when they are returning to campus until later in the summer. As soon as you know when you will be returning, go to the Storage web site and sign up for a delivery time. Like pickups, there will be designated times when we will be at your residence hall for deliveries. Your items will not be put on the trucks for delivery unless you have signed up for a slot.
